MATRIARCH of the OWLS

Momma and Poppa Owl...that's what Arlean and Ted Palka were to the Owls Sports Club and the West Lawn Owls American Legion baseball program. Where Ted was the operator, Arlean was the organizer. Arlean was here, alongside Ted, managing the concession stand, making sure the operation was organized and running smoothly. This was a marriage made in heaven who helped the Owls become what we are today.

FOREVER MISSED...NEVER FORGOTTEN
